

Melissa Spurlock & Mark Matson

While the marriage of a lady with three children and a man with three children might recall *"The Brady Bunch,"* Melissa Spurlock and Mark Matson's Nov. 16, wedding was anything but 1970s. The ceremony and reception were held at the Hilton Cincinnati Netherland Plaza. The colors of fall inspired the décor from flowers to the colored accent lighting. The reception also included a musical performance by four of the couple's children—a song recorded by Miley Cyrus, called *"One in a Million."*
