

Shaedyn Cousino & Alexander Bogle

When Shaedyn Cousino attended her cousin's wedding in July 2005 in Newport, R.I., she had no idea she would meet her own special someone. In stepped two friends—Shaedyn's aunt and Alexander's mother—who cooked up some matchmaking at the rehearsal dinner. The plan paid off, with Shaedyn and Alexander tying the knot at Armstrong Chapel in Indian Hill on Aug. 25, 2007.

Shaedyn and Alexander had a traditional Navy wedding with a New England twist to commemorate where they met—they exited the church through an arch of boat oars.
